Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: examiner does not believe it would have been obvious to one of ordinary skill to modify the resin frame in figure 2 of Nagamura (U.S. 6,292,239) to include at least one fastening portion (12a and 12b) on both the top and bottom edge, since the top edge contains holding portions for mounting the electric discharge lamp 4.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David Chung whose telephone number is (571) 272-2288. The examiner can normally be reached on Monday-Friday from 8:30 am to 5:00 pm.
